Meet The Team

When we say local... we mean it.

El Paso. Alamogordo. Albuquerque. Phoenix.

While most manufacture representative firms rely on a sales team typically located out of state, at Gorman Company we believe that having an active role in the territories we service is vital. Our sales representatives are citizens of the community, **living and working directly within the areas in which they serve.**

IN THE FIELD

Whether we are collaborating and providing training programs, sponsoring relationship-building activities, or attending industry conferences and events, the team at Gorman Company is proud to support our partners in a variety of ways.

Gorman Company salesmen Joe Munoz and Ted Cook conducted a site visit in Artesia, New Mexico, with the crews of Central Valley COOP to provide a demonstration of a new style of overhead connector from TE Connectivity. Afterwards, the crew took to the sky to tackle installation, sharing incredibly positive feedback on the training that highlighted a simple and efficient way to install the connectors.

Based in Albuquerque, New Mexico, Gorman Company salesman David Nunez visited a Public Service Co of New Mexico (PNM) substation to assist with the installation of a GE Line Monitor.

GIVING BACK

At Gorman Company, giving back is in our DNA. We recognize that our succes is deeply tied to the well-being of thoe around us, and giving back allows us to make a meaningful impact to the communities in which we reside. By supporting local initiatives and causees, we can help foster a stronger, more connected community that benefits everyone.

Based in El Paso, Texas, Gorman Company salesman Joe Munoz had the opportunity to participate in the PDNFAA School Career Day. The kids (and Joe) loved it!

Ted's Big Adventure

Departing from his home in Almagordo, NM, Gorman Company salesman Ted Cook was recently able to take off on a two-week adventure, tackling the open road on his Harley Davidson.

Traveling through 10 states as well as Ontario, Canada, Ted was able to take in some incredible scenery, see national landmarks, and visit with his family along the way.
