NEW & NOTEWORTHY

We've got you covered. At Gorman Company we take immense pride in our reputation for delivering exceptional experiences. With a steadfast commitment to excellence, we have built lasting relationships with our clients by consistently exceeding their expectations. As we continue to grow, the expansion of our team ensures we can provide the highest quality service, tailored to meet the unique needs of every customer. We are excited to welcome our newest team member, David Nunez, who shares our passion and commitment for making a difference in the lives of those in the territories we serve!

David Nunez

David is a technical salesman based in Albuquerque, New Mexico, with deep roots in the Four Corners region. With a Bachelor's in Business Management, he has built an extensive career in technical sales and business development, focusing on B2B roles in New Mexico. His knowledge of multiple trades, combined with a natural ability to connect with clients and drive growth, has made him a trusted partner for businesses across the region.

Outside of work, David is an avid sports enthusiast. His love for basketball and soccer has taught him the value of teamwork, leadership, and perseverance—skills he brings to his professional life. Whether playing on the court, the field, or working with colleagues, he thrives in collaborative environments. When he's not closing deals, David enjoys spending time outdoors hiking, mountain biking and camping with his wife and kids, exploring the beauty of New Mexico and beyond.

Primary Territories: Albuquerque, Northern NM, & NTUA.

IN THE COMMUNITY

Whether we are collaborating and providing training programs, sponsoring relationship-building activities, or attending industry conferences and events, the team at Gorman Company is proud to support our partners in a variety of ways.

Arizona Utilities Supervisor Association Meeting

IN THE COMMUNITY - cont'd

Left:
Joe Munoz represented team Gorman Company at the New Mexico Rural Cooperative Association's Underground & Climbing School in October. It was a great opportunity to meet with public power utilities from across the state.

Taking place in November, the Arizona Lineman's Rodeo was a great event with participants from 13 electric utilities from Arizona and New Mexico. A 2-day event providing both educational opportunities and some fun competition, Gorman Company was excited to display our vendors solutions at our booth.

GIVING BACK

At Gorman Company, giving back is in our DNA. We recognize that our succes is deeply tied to the well-being of thoe around us, and giving back allows us to make a meaningful impact to the communities in which we reside. By supporting local initiatives and causees, we can help foster a stronger, more connected community that benefits everyone.

ASCE - YMG

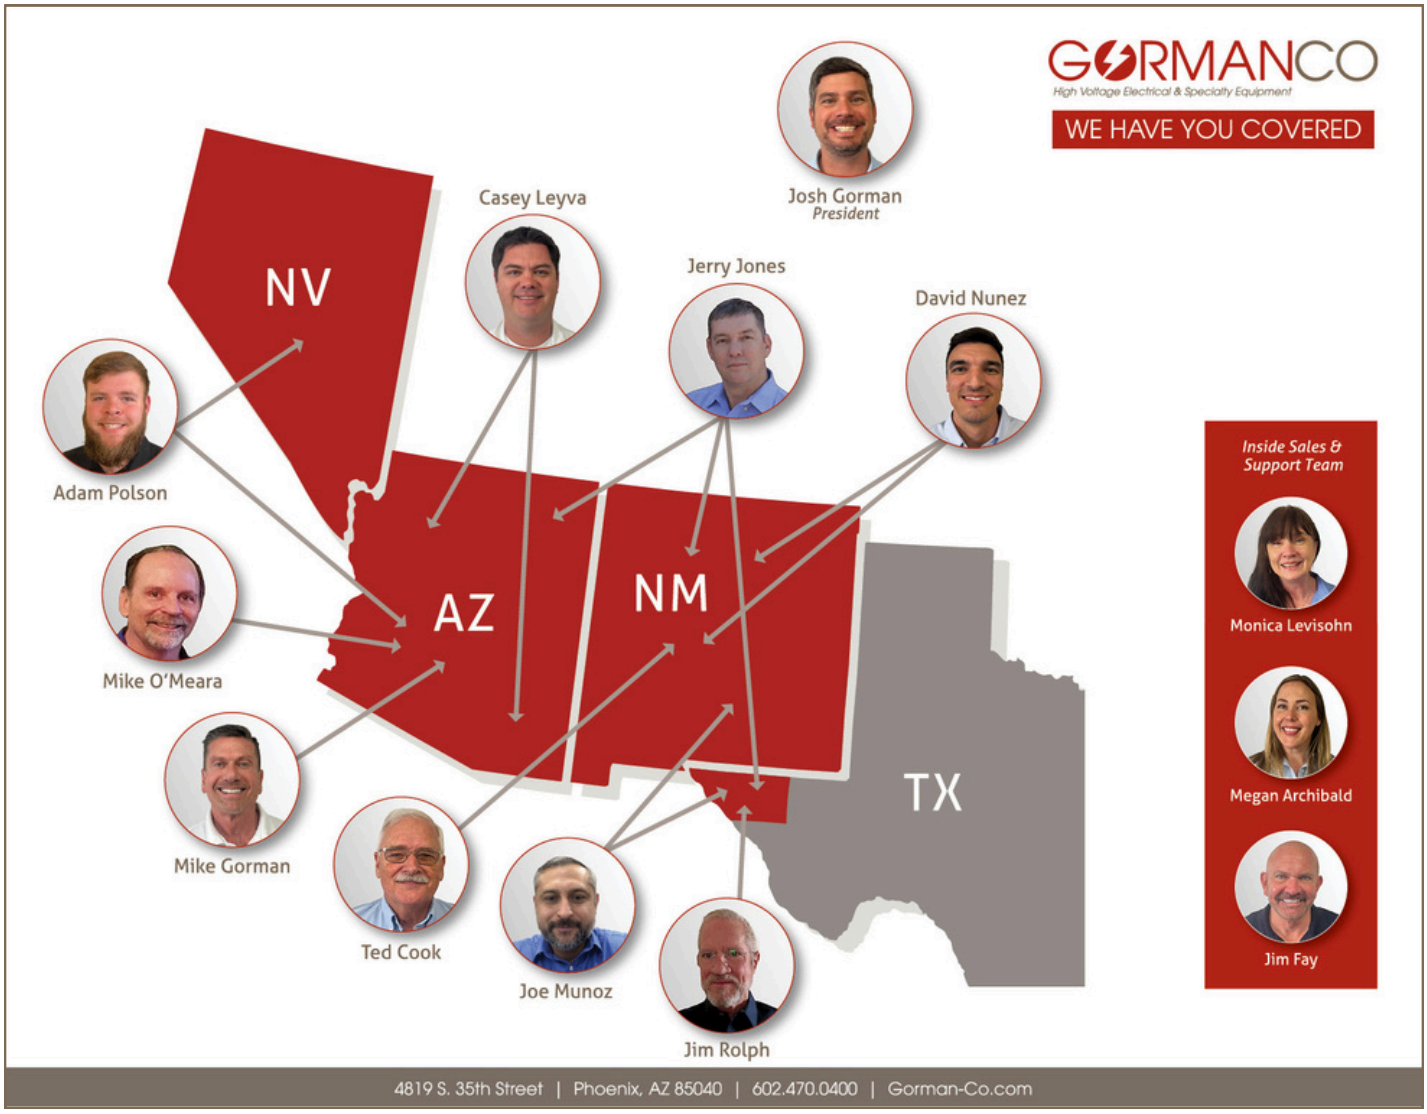

Gorman Company was proud to be a sponsor of the American Society of Civil Engineers Younger Member Group (ASCE YMG) in El Paso. Their 3rd annual Women in Engineering Brunch was held on September 14th, 2024, at UTEP.

Gorman Co: Your local partner, working hard for you.

We believe that having an active role in the territories we service is vital to obtaining first-hand knowledge and understanding of any unique challenges and opportunities. Our sales representatives are citizens of the community, living and working directly within the areas in which they serve.
